A.

Unlike a roll of music for player piano, a MIDI file can be edited freely, with any and all changes easily implemented or cancelled. When a MIDI-controlled piano is involved, such editing may be done, for example, to adjust the tempo and the duration of pauses in order for the piece(s) to work in a particular hall's acoustics. Or perhaps the editor has their own ideas about details of a piece, and they change what they see fit.

This study, like the earlier *Two Studies for MIDI-controlled Piano*, is designed with this kind of approach in mind. It will work well enough when performed as it is, but a proper performance requires you to first look at the study score, and then interpret it by editing the MIDI file, available from the composer.

For details and examples, please refer to the score of *Two Studies for MIDI-controlled Piano*.

B.

Unlike the earlier two studies, *Study III* can be performed by a pianist. Approach the score the way a programmer would approach the MIDI file, and adjust acceleration and deceleration rates according to personal preference and/or ability. Tempo indications are approximate, too. Wide chords in the right hand in measure 9 will have to be executed with both hands, or arpeggiated. The notation can be easily rewritten to better suit your needs; the composer will be happy to produce a version of the score for you.

7

Musical score for measures 7-8. The system consists of two staves. Measure 7 features a treble clef with a triplet of eighth notes and a bass clef with a triplet of eighth notes. Measure 8 continues with a treble clef containing a quarter note and a half note, and a bass clef with a triplet of eighth notes. A dynamic marking of *ff* is placed above the bass staff. A bracket labeled '9' spans the first nine notes of the bass staff in measure 8.

8

Musical score for measures 8-9. The system consists of two staves. Measure 8 features a treble clef with a triplet of eighth notes and a bass clef with a triplet of eighth notes. Measure 9 features a treble clef with a triplet of eighth notes and a bass clef with a triplet of eighth notes. A dynamic marking of *f* is placed above the bass staff. A bracket labeled '7' spans the first seven notes of the treble staff in measure 9.

9

Musical score for measures 9-10. The system consists of two staves. Measure 9 features a treble clef with a triplet of eighth notes and a bass clef with a triplet of eighth notes. Measure 10 features a treble clef with a triplet of eighth notes and a bass clef with a triplet of eighth notes. A dynamic marking of *mp* is placed above the treble staff. A bracket labeled '5' spans the first five notes of the treble staff in measure 10.
